

**PERSONNEL**Licensed Personnel: Sabbatical Leave

On the recommendation of the superintendent licensed personnel who wish to pursue a full-time planned program of study may receive a one-year leave of absence with financial assistance. Those receiving a sabbatical shall not exceed one percent of eligible personnel in any given year. Up to fifty percent of the employee's last contracted salary may be given providing he/she has been employed by the Stafford County School Division for five years and plans to return for five additional years. Financial assistance shall be within the limits of funds allocated for this purpose in the annual budget. The superintendent shall promulgate regulations for implementation of this policy.
